Join ACET Governance team: Make a Difference Locally!

Dear prospective Member, Trustee and Governor,

My name is Natalie Borrington and I am the Governance Leader at Aston Community Education Trust (ACET).

As we continue our mission to enrich the educational landscape across our communities, we are seeking passionate individuals to join our boards and committees. We would love to engage local businesses in becoming volunteers within our multi academy trust. By fostering mutually beneficial partnerships, we aim to promote diversity and inclusion within our governance structure while offering businesses the opportunity to contribute to their community's educational advancement.

Volunteering with ACET offers a unique opportunity to make a tangible impact on the lives of children in our community. By serving on our boards, you'll contribute to shaping the future of education while fostering strong ties between local businesses and our schools.

We understand the value of local stakeholders, and we're reaching out to businesses like yours that share our commitment to the betterment of our community and its educational institutions.

I would be thrilled to provide further details about what it means to serve on the ACET Trust Board and the invaluable benefits it can bring to you and your company. Please let me know if you'd be interested in exploring this opportunity further, and I'll gladly arrange a meeting or call at your convenience.

Thank you for considering this invitation to be part of our journey at ACET. Together, we can make a real difference in the lives of our children and the future of our communities.

Warm regards,

Natalie Borrington
Governance Leader
Aston Community Education Trust (ACET)
